DABRICON offers highly qualified, wide-ranging yet boutique type risk consulting and support. Since its establishment in 2017 it has served multinational to medium-sized local clients from a variety of industries, in particular FMCG, real-estate, FSI, automotive and energy.

With a team that now includes 10 experts, DABRICON’s specialisation ranges from forensic investigations, over operational risk assessments and compliance services down to dispute assistance and resolution. DABRICON helps their clients in looking professionally at risk and compliance within and around their business. The goal is to provide a flexible, independent, and unbiased expert view of your business and the risks affecting it.

Key differentiators to traditional advisors are high-profile professionalism with strong focus on confidentiality, security and flexibility providing tailored services to distinct group of clients.
